

# 22<sup>ND</sup> INTERNATIONAL SYSTEMS AND SOFTWARE PRODUCT LINE CONFERENCE – SPLC 2018

September 10-14, 2018 • Gothenburg, Sweden • [www.splc2018.net](http://www.splc2018.net)

## Invitation

SPLC, the International Systems and Software Product Line Conference, is the premier forum for practitioners, researchers and educators to present and discuss the most recent ideas, innovations, trends, experiences, and concerns in the area of software product lines, software product family engineering and, more in general, systems family engineering.

We invite you to participate in this event, get inspired by researchers' and practitioners' talks and presentations, meet your colleagues, and contribute to shaping the conference.

## About Gothenburg

Situated on the west coast of Sweden, Gothenburg lies right in the heart of Scandinavia. The abundance of culture, entertainment, and outdoor activities, as well as Gothenburg's interesting surroundings, closeness to the sea, and the stunning archipelago guarantee a whole new conference experience.

SPLC will be held at Chalmers Lindholmen Conference Centre, which is located along Lindholmen's waterfront. The venue offers a highly technological environment with walking distance to restaurants and hotels.
